

Emerging Leaders Programme

Workplace leadership for young Christian professionals

Be part of a new gospel-inspired and Spirit-empowered generation taking the lead at work.

Have you just started as a manager, project lead, or entrepreneur? New responsibility invites fresh questions about how to 'be Christian' at work – it's an exciting time, but can stir up its fair share of imposter syndrome too. What if God has a purpose for you, right where you are?

Emerging Leaders will help you take the lead at work with a relevant faith and impactful presence. Join a cohort of your peers facing the same challenges and grow in biblical wisdom, practical skills, and spiritual habits – for your joy and God's glory in your work.

Emerging Leaders includes:

- three 24-hour online workshops across six months
- mentoring triplets for ongoing support
- personalised leadership coaching

Emerging Leaders 2021 is fully online. See reverse for syllabus.

Tuition: £225 (bursaries are available subject to application)
